Project Name	Project - Personal assistance for seniors who are self reliant

Text to speech Service:-

The screenshot displays the IBM Cloud management interface for the Text to Speech service. The top navigation bar includes the IBM Cloud logo, a search bar, and user account information. The left sidebar lists navigation options: Manage, Getting started, Service credentials, Plan, and Connections. The main content area is titled 'Text to Speech-cj' and shows the service is 'Active'. It features a 'Start by viewing the tutorial' section with links to the 'Getting started tutorial' and 'API reference'. Below this is a 'Credentials' section with fields for 'API key' and 'URL', each with a copy icon. On the right, a 'Plan' section shows the current 'Lite' plan and an 'Upgrade' button.
